Home Textiles

2024 collection

B Sousa Dias is one of the most traditional textile companies in Portugal, counting more than 50 years of history.

Experience combined with innovation allows us to present at the same time traditional and contemporary tenders to the main markets. Always thinking of the new international fashion trends, we present our 2024 collection [DEVILLA Home Textiles](#).

Let yourself get caught up...

PT_

Produtos tingidos ou lavados depois da sua confeção, podem apresentar variações ligeiras de cor e tamanho, que são inerentes ao próprio processo produtivo.

Em todos os artigos que contêm linho, pode haver diferenças de tonalidade, visto se tratar da cor natural da fibra.

As cores impressas podem conter ligeiras variações quando comparadas com as dos produtos originais. A Devilla detém o direito de alterar, quer totalmente, quer parcialmente, qualquer referência, medida, peso ou especificação técnica dos produtos que compõem esta coleção.

FR_

Les produits teints ou lavés après montage, peuvent avoir des variations légères de couleur et taille, résultat du process technique utilisé.

Parmi les articles que contient du Lin, des différences de tonalité peuvent arriver, car la fibre est utilisée en couleur naturelle.

Les couleurs imprimées peuvent avoir une légère variation en comparaison aux produits originaux. Devilla se réserve le droit de modifier, total ou partiellement toute référence, taille, poids ou spécification technique des produits qui composent cette collection.

EN_

Products dyed or washed after assembly, can show minor shade and size variations, due to its specific production technique.

All articles that contain Linen, color variations might occur, as the fiber is used in its natural color.

Printed colors may represent slight variations of shade. Devilla reserves the right to discontinue or alter, either partially or totally, any reference, size, weight or technical specification of any product contained in this collection.

DE_

Produkte die gewaschen oder gefärbt wurden nach den Nähvorgang, Können Abweichungen in Farbe und Masse haben, die direkt Resultat sind vom Produktionsprozess.

In alle Artikel mit Leinen koennen Farbunterschiede vorkommen, weil die Fasern in der Naturfarbe benutzt werden.

Drucktechnisch bedingte Farbabweichungen sind leider nicht immer ganz vermeidbar. Devilla behält sich das Recht der teilweisen oder gänzlichen Artikeländerung vor.
